

Code of Conduct Policy

Updated by the Pittsburg Public Library Board of Trustees, May 8, 2024

Policy Statement:

The Pittsburg Public Library strives to provide the highest level of service to all library users. The library serves as a “limited public forum,” created for the specific purpose of providing public access to materials and resources. The Pittsburg Public Library Board of Trustees has, under the authority of Kansas law (K.S.A. 12-1227), established rules of conduct to protect the rights and safety of library patrons, visitors, and staff, and to preserve and protect the library's materials, equipment, building, and grounds.

These rules are not all inclusive of every behavior that will be regulated on library property. The Pittsburg Public Library reserves the right to prohibit any behavior or actions which may be inappropriate or disruptive to library business.

Everyone has a right to quality library services in an atmosphere that is safe and free of disturbances from others. Conduct in the library or on library property which may lead to denial of library privileges includes, but is not limited to, the following:
